

Liqui Moly - 4406 - Aceite para engranajes hipoides (GL5) SAE 80W-90 1 l

Aceite mineral para engranajes hipoides. Para vehículos con tecnología de cambio más antigua.

Aceite mineral para engranajes hipoides. Para vehículos con tecnología de cambio más antigua. Garantiza un funcionamiento perfecto de los grupos incluso en las condiciones de servicio más duras y con grandes oscilaciones de temperatura. Proporciona una película lubricante estable. Ofrece una elevada seguridad de lubricación y una protección óptima contra el desgaste. Excelente comportamiento viscosidad-temperatura.
